Site
IUP MIAGE

The screenshot shows the IUP MIAGE website homepage. At the top, there's a banner with the university's name and a logo. Below the banner, there's a navigation menu with 'Accueil' highlighted. The main content area has a blue header with the text 'Vous êtes ici : Home'. To the right, there's a sidebar titled 'Gestion du site' which includes a link to 'Admin.' with a padlock icon. The bottom of the page features a footer with links to various university services.
